

## **Peter (Kristy) Beattie**

Sept 1976- Dec 23 2001

To Pete:

In memory of the 13th anniversary of your death, and as your X-mas gift, we have ordered a goat on your behalf.

Somewhere, in a remote village, in a developing country, will be a goat named Pete.

*(Go ahead and laugh. We did. He is.)*

On the more serious side: Pete, you always wanted to make a difference and you continue to do that in so many ways. Even in death, you provide life and new meaning to life. The gift of your goat will provide milk for a family: protein and nourishment. It provides health, the possibility of a livelihood, an option for a better future and above all HOPE.

***Never underestimate the power of hope.  
Never underestimate the devastation of hopelessness.***

Maybe if we could have sourced hope for you Pete, you'd still be here with us.

Love ya forever Pete
