

STRENGTHENING YOUR VOICE THUNDER BAY

PUBLIC SPEAKING TRAINING FOR PEOPLE WITH
PERSONAL &/OR FAMILY LIVED EXPERIENCE WITH OPIOIDS

This training is inclusive of and honours all treatment and recovery choices (including methadone and other harm reduction options, abstinence, and 12-step approaches).

LEARN NEW SKILLS

Learn tips and techniques for high-impact speaking!

GET INSPIRED

Be engaged by our amazing trainers, Sean and Betty-Lou!

SHARE YOUR STORY

Use your experiences to make a difference!

INCLUDED:
Breakfast and Lunch
Honarium

ELIGIBILITY

- Lived experience of problematic opioid use (self, family, or significant other)
- Interested in sharing your story publicly to build understanding and break down stigma
- Have achieved a significant level of recovery

*Please note that, depending on the number of applications, not every person who applies will be accepted as a participant.

TRAINERS

Sean LeBlanc founded and chairs the Drug Users Advocacy League in Ottawa and is a peer support worker and community researcher.

Betty-Lou Kristy lost her son, Pete, to an accidental overdose. She dedicates her time as a provincial systems level, lived experience and 'family' advisor/consultant.
