

## **Public Health Promoter – Substance Use, Mental Health, and Injury Prevention – Full Time**

KFL&A Public Health is a local public health agency with over 200 staff and 150 volunteers who deliver public health programs and services to the people of the KFL&A area. The Community Health and Well-Being Portfolio has an immediate opening for a Public Health Promoter, Substance Use, Mental Health, and Injury Prevention.

The Public Health Promoter assess the need for health promotion, plans, implements and evaluates comprehensive health promotion strategies, and provides direct health promotion services in accordance with the Ontario Public Health Standards.

The successful candidate will have a Bachelor's degree in Health Promotion, Health Education or equivalent. Experience in health promotion preferred.

KFL&A Public Health is committed to providing staff with a healthy work environment. Continuing education and professional development opportunities; flexibility in work hours; family-friendly policies; strong community and clinical leadership and support and an open-minded, caring, supportive environment, all play an integral role in employee retention.

If you are interested in this exciting opportunity, please apply to: Human Resources, KFL&A Public Health: [hr@kflaph.ca](mailto:hr@kflaph.ca) by July 19, 2022.

KFL&A Public Health supports diversity in all of its forms, including but not limited to age, disability, economic circumstance, marital status, ethnicity, gender, gender identity and gender expression, race, religion, and sexual orientation. Accommodations will be made, upon request, for candidates taking part in all aspects of the selection process.

We thank all those who take the time to apply, but only those chosen for an interview will be contacted.
