

CAMH/WALES SYMPOSIUM

DIGITAL MENTAL HEALTH

FROM POLICY TO PRACTICE

16 NOVEMBER 2022

**8:30–11:30 AM EST
(1:30–4:30 PM GMT)**

JOIN CLINICIANS, researchers, policy-makers and educators from the Centre for Addiction and Mental Health in Canada, Technology Enabled Care Cymru and the Royal College of Psychiatrists Wales as we share and learn about innovative practices, policy and research impacting digital mental health in Canada and Wales. Engage in discussions to foster future collaborations and accelerate adoption and implementation of best practices into clinical care.

WELCOME AND OPENING REMARKS

- Dr. Sanjeev Sockalingam, CAMH
- Dr Dave Williams, Welsh Government
- Sarah Downey, CAMH
- Mike Ogonovsky, Technology Enabled Care Cymru

RAPID FIRE PRESENTATIONS AND MODERATED Q AND A

- Integrating research into clinical care
- Informing service delivery/population mental health
- Introducing new models of care
