

# Research Study: Help Us Develop a Healthbot to Improve Varenicline Adherence

## Healthcare Providers Perspectives on Digital Health Solutions and Varenicline Adherence

### You Will:

- Complete a short demographic survey
- Participate in a 60-minute interview where you will be asked about your thoughts and perspectives on the use of computer program that will provide varenicline related information, advice, or support to users (a healthbot)

### Eligibility

You are:

- A healthcare provider who, in the last 24 months, has seen at least 5 people who are prescribed varenicline

You can:

- Speak/read English

**If interested in participating in this study, please contact:**
