

Family members/close supports of people who use opioids: We want to hear from you!

What is the study?

We want to hear your experiences and thoughts about COVID-19 public health measures, and how they impacted people who use opioids and those closest to them.

Who can sign up?

People who are family members/close supports of people who used non-prescribed opioids during the COVID-19 pandemic.

What is involved?

- A one-time 45–60-minute interview
- Interviews will take place in-person or virtually through WebEx

You will be compensated with a gift card for your time.
