

Sim City Rounds: U of T Simulation

Virtual Simulation – Possibilities and Evidence

Speaker: Dr. Timothy Willett, President & CEO, Simulation Canada

Moderator: Dr. Petal S. Abdool, Faculty Lead Simulation Education Integration

Learning Objectives:

- Define the scope of virtual simulation.
- List various ways to use virtual simulations and technologies that support different uses.
- Summarize the state of evidence for virtual simulation.

Thursday, May 22, 2025
12:00pm - 1:00pm
