Joint OPA & CAAP Addictions Conference *Innovation in Concurrent Disorders*

Vantage Venues

150 King St. W
Toronto, ON M5H 1J9

22 November 2025

7:30 am - 5:00 pm

The Ontario Psychiatric Association and the Canadian Academy of Addiction Psychiatry present a key conference for clinicians working in substance use and concurrent disorders.

Join us for a dynamic day of learning, networking, and collaboration with leading experts in the field of addictions psychiatry. This conference offers an excellent opportunity to explore emerging issues, strengthen clinical skills, and connect with colleagues from across the province.

This conference is ideal for physicians and healthcare professionals working with individuals affected by substance use disorders. Don't miss this opportunity to build knowledge, share insights, and support better outcomes in addiction care.

Early Bird registration
ends September 30
